5. It was on Sunday 4<sup>th</sup> February, 2018 when I told my father that I want to also begin studying, my father told me to prepare for school. I ~~to my~~ told my mother she gave me a pocket money of 50,000 shillings since I was to go on boarding school. When it came to evening time my father asked me whether I am ready to leave, I left on with abas at ~~8:00pm~~ <sup>10:00am</sup> which took me to Kasese where I went for studies. On arriving, the headteacher of that school told my father that I am supposed to have 2kgs of sugar, 2 bars of soap, a mirror, and abasin or abacket and two red shirts plus two black skirts which were casual wears of the school. My father paid them there and then. The patron later directed me to the dormitories. When it came to time of entering classes, I entered the class, it was full of pupils, I felt shy and ran out of class, the patron who took me to class laughed after me and the pupils also laughed after me. When it came to time for lunch I did not take lunch because I was very shy. Thereafter I knew and I rushed inside the class very fast when it had not been filled with pupils, when they came in the class unfortunately I had sat on one's sit he was a guy who was stubborn at that school the guy
